2024 PROVIDER REFERRAL DIRECTORY
University of Michigan Health is committed to ensuring Michiganders have access to the right care in the right place. That means keeping care close to home as much as possible by collaborating with hospitals around the state to expand local access to specialty care. Together with UM Health-Sparrow and UM Health-West, we are expanding our care network across the state, bringing world-class health care to patients closer to home.

MEET OUR PHYSICIAN LIAISON
AND OUTREACH TEAM

University of Michigan Health’s Physician Relations and Outreach team is dedicated to providing personalized service to community-based physicians.

Our goal is to support the coordination of care for you and your patients. Our team members are available to:

- visit your practice;
- inform you of new services, treatment options and clinical trials;
- work to understand your needs;
- and discuss outreach opportunities by University of Michigan Health’s clinical faculty and University of Michigan Health-West’s providers.

If you would like one of our outreach team members to contact you, please call M-LINE at 800-962-3555 or email one of our below team members.
