

Family Medicine

Application Process – Program #: 1202500736

University of Michigan Health-West Family Medicine Program participates in ERAS application system and will be participating in the NRMP match. The Family Medicine Program has received Osteopathic Recognition from the Accreditation Council for Graduate Medical Education (ACGME).

Applicants must be U.S. citizens, permanent residents of the U.S., or have a work authorization card or a J1 Visa. University of Michigan Health-West does not generally sponsor Visas for medical residents, subject to the limited instance where the Hospital determines that U.S. citizens or permanent residents of equal training, experience and competence are otherwise unavailable for the residency program at issue.
