

## **Welcome Obstetrics & Gynecology Potential Applicants!**

We are so excited and honored that you are interested in pursuing your residency at University of Michigan Health – West. We welcome you and greatly encourage medical students interested in the Obstetrics & Gynecology Residency Program to participate in a fourth year Obstetrics & Gynecology rotation.

We hope this information below answers some questions you have regarding the application & interview process. If you have further questions, please feel free to contact us at:

[OBGYN.MedEd@umhwest.org](mailto:OBGYN.MedEd@umhwest.org)

### **Residency Application Requirements:**

All applications must come through [ERAS](#).

Letters of Recommendation: Three letters with a minimum of 1+ letter from an Ob/Gyn Physician.

COMLEX Score 500 or above or USMLE Score 220 or above (we do not require both) and must be passed on first attempt.

We recommend your application is complete and submitted at the latest by November 1<sup>st</sup> to be considered for an interview.

### **Interview Information:**

Once we review all applications, interviews will be offered. For students who are completing an audition rotation, decision of interviewing will be decided after the rotation is completed. Interviews will be held in November & December. Please contact our Residency Program Coordinator for additional details. You will have an opportunity to meet all the residents and interview with faculty members. A virtual meet & greet will be held near your date, this will be with the residents and Residency Program Coordinator. This is a great opportunity to get to know them before the interview day. This event is optional, but highly encouraged.

### **VISA Candidates:**

University of Michigan Health – West does not generally sponsor Visas for medical residents, subject to the limited instance where the Hospital determines that U.S. citizens or permanent residents of equal training, experience and competence are otherwise unavailable for the residency program at issue.
