

Welcome Orthopaedic Surgery Applicants

We are so excited and honored that you are interested in pursuing your residency at University of Michigan Health - West. We welcome you and greatly encourage medical students interested in the Orthopaedic Surgery Residency Program to participate in a fourth year Orthopaedic Surgery rotation.

We hope this information below answers some questions you have regarding the application & interview process. If you have further questions, please feel free to contact us at:

OrthopaedicSurgery.MedEd@umhwest.org

Residency Application Requirements:

All applications must come through [ERAS](#).

Letters of Recommendation: Three letters with a minimum of 1+ letter from an Orthopaedic Physician.

COMLEX Score 600 or above or USMLE Score 230 or above and have passed on the first attempt (we do not require both).

All applications must be submitted at the latest by November 1st to be considered for an interview.

Interview Information:

Interviews will be held on a Saturday in early January – please contact our Residency Program Coordinator for details. You will have an opportunity to meet all of the residents and interview with several faculty. A virtual meet & greet will be held prior to your interview date. This will be with the residents, Program Director, and Residency Program Coordinator and gives you an opportunity to get to know them before the interview day. This event is optional, but highly encouraged.

VISA Candidates:

University of Michigan Health – West does not generally sponsor Visas for medical residents, subject to the limited instance where the Hospital determines that U.S. citizens or permanent residents of equal training, experience and competence are otherwise unavailable for the residency program at issue.
