Vacation: Vacation requests will be considered for an rotation as long as request is given at least 30 days in advance and resident duties are covered by other residents in the program. Residents have a maximum of 20 days of paid time off which can be taken throughout the year, although the number of approved days per rotation are limited to ensure an adequate educational experience.

Sites

Site 1= University of Michigan Health-West Hospital

Site 2= Spectrum Health - Butterworth

Site 3= Mercy Health - Muskegon

Osteopathic Experiences

^ = Osteopathic education/experience in clinical setting

+ = Osteopathic clinic - OMT clinic

* = Osteopathic Didactics and OMT Hands-on Lab

Notes

Residents are given the option to rotate or opt-out of training in provisions of abortions. The Residents will participate in medical/surgical management of spontaneous, incomplete, inevitable, and missed abortions. The residents also participate in LARC/permanent sterilization, participate in management of complications of spontaneous and elective abortions, and participate in didactic activities provided through the hospital as well as MSU-COM Statewide Campus System educational conferences.
